

Our Lady of Bellefonte Hospital Foundation Community Support Fund Application

Our Lady of Bellefonte Hospital (OLBH) recognizes that not-for-profit organizations fill an important role in improving the quality of life of the Tri-State community. To encourage and assist not-for-profit organizations, OLBH has established a system to fund qualified, local, not-for-profit organizations.

The OLBH Community Support fund is designed to foster new services or expand existing services. The information provided in the application should be specific to the particular program for which community support funding is being requested. If funding is approved, a use of funds report will be required to be completed and returned to OLBH within one year of receipt of funding.

Please return the completed Application and W-9 to:
